Microsoft Teams Meeting ID: 341 337 826 37

Passcode: EwmQa6

## OBJECTIVES

1

To exchange information about the methods used to mapping, assessing, and accounting of ecosystem condition and services.

2

To identify challenges in implementing these methods by the SELINA Demonstration Projects.

3

To ensure that the proposed methods are aligned with the needs of the SELINA Demonstration Projects.

4

To discuss management-relevant activities and the general performance of the Project in the General Assembly and Advisory board meeting.
